

# 橋梁用防護柵型式別一覧表（アルミ製）

## レール式

B 種	OK-A-2B-75N P-1a	OK-A-3B-85N P-2a	OK-A-3BP-85NFW P-3a	OK-A-4BP-100N P-4a
	OK-A-2C-75N P-5a	OK-A-3C-85N P-6a	OK-A-3CP-85NFW P-7a	OK-A-4CP-100N P-8a

The table displays technical drawings for eight types of aluminum bridge guardrails. The drawings are arranged in two rows: Row B (types B-1a to B-4a) and Row C (types C-5a to C-8a). Each drawing shows a side view of the guardrail with dimensions in centimeters. The dimensions include the total height from the ground, the height of the top rail, and the height of the lower rails. The rail counts are indicated by the number of horizontal rails shown in each drawing.
